### **Subscription details**

We can accept payment in local currency in the United Kingdom, Japan, the United States of America, Australia or anywhere in the Eurozone provided that the application is made to the local co-ordinator. Please note that our overseas co-ordinators cannot accept Sterling payments, nor can non-Sterling payments be remitted to our UK bank account.

Whenever paying direct into a society bank account anywhere in the world, kindly use the reference "New member" and advise the local co-ordinator, or the Treasurer as appropriate, of the payment by email so that it can be married up easily with your application when received.
