✂----------

JAPANESE RAILWAY SOCIETY – New Membership Application

Information given on this form will normally be held on a computer for the sole use of the JRS.
It will be used to enable the essential administration and operation of the Society in accordance with its published aims. Membership lists compiled from it may be circulated to Society Officers and in a localised form, to Overseas Representatives. Name and address information may also be given on an individual basis to committee members or to other members undertaking particular committee approved tasks. Data will not under any circumstances be released for commercial or non-members use.
